Geography

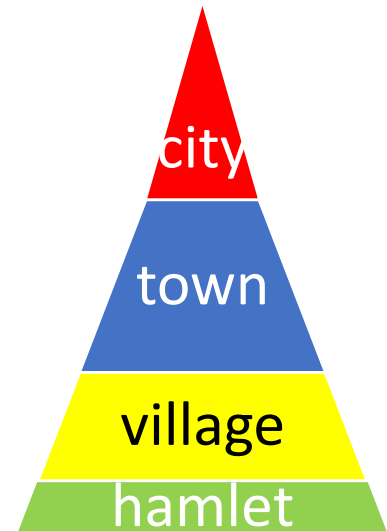

Settlements

Year: 3

Term: Spring 1

	Key Knowledge and Vocabulary
settlement	Anywhere where people live
rural	Relating to, or characteristic of the countryside rather than the town
inhabitants	Person or animal that lives in or occupies a place
facilities	Buildings, pieces of equipment or services provided for a particular purpose
urban	Characteristic of a town or city
borough	A borough is a town, or a district within a large city
continent	Earth's seven main divisions of land

Types of settlements

London

Millions of people live in London.

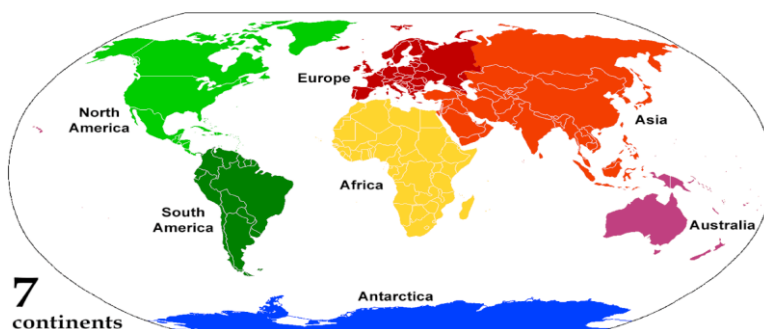

The people in London have adapted their urban settlement.

The sprawling urban settlement we *now* call London is made up of different parts.

These different parts are called **boroughs**.

The 7 Continents

Types of settlements

City – The largest type of settlement in the United Kingdom.

Town – An urban settlement.

Village – The most common human settlement.

Hamlet – The smallest type of settlement.

UK Capital cities
