Dear Parents and Carers,

Re: Year 4 Multiplication Tables Check – Parent Information Meeting

We would like to invite you to an important meeting regarding the upcoming **Year 4 Multiplication Tables Check (MTC)**. This will take place on:

Date: 01.05.2025

Time: 09.00am or 14:50PM

Location: Bryson Hall

Please only attend one session as they are a repeated session.

The Multiplication Tables Check is a statutory assessment for all Year 4 pupils, designed to assess their fluency in times tables up to 12 x 12. The check is computer-based and typically takes just a few minutes to complete. It helps us identify children who may need additional support in their understanding of multiplication.

During the meeting, we will:

- Explain what the check involves and how it will be administered
- Share how we are supporting the children in school
- Offer suggestions for how you can help your child practise at home
- Answer any questions you may have

Your support at home plays a crucial role in your child's learning, and we hope this session will give you the tools and confidence to help them feel well-prepared.

We look forward to seeing you there and working together to support our pupils' progress.

Kind regards

Mr Debbazi & Miss McKenzie
