Dear Parents/Carers

Details of local Food Pantries

With the cost of living affecting many in our community, we have been contacted and asked if we could share this information regarding food pantries with you.

A pantry is a membership food shop selling fresh meat and dairy products, fruit and vegetables, frozen and fresh food and long-life and tinned/package food.

Members pay a small fee of £3.50 per visit and can choose up to 10 items. Pantries work just like any other shop as you can choose what you want from the shelves.

For £3.50 members can get up to approximately £20 worth of shopping. This can help save up to £1,000 per year on shopping bills.

Members are encouraged to join a pantry that is closest to them/in the same post code as their address. In fact, some pantries, operate a catchment area system.

St Andrew's Community Network currently supports 11 Food Pantries in North Liverpool:
