1st December 2022

Dear Parents/Carers,

Be Internet Legends Day

Our school is taking part in this year's Be Internet Legends Day on Thursday 8 December.

Be Internet Legends is run by Google, in partnership with Parent Zone, it teaches children the skills they need to be safer and more confident online. Parents can worry about the impact of technology on children's mental health which is why this year's event is focussed on digital wellbeing.

Your child will be learning about how they can find the right online balance with activities throughout the day. We'd love you to join us for a live-streamed assembly at 9.30am on the morning of 8th December; the link to join the assembly is in blue at the bottom of this letter or you can type this address into your browser to join the live stream. Pupils will be watching this same assembly in school before they begin their activities.

It's a great chance for you to see what your child has been learning about online safety at Runnymede.

Following the day, we will also send home some more activities for you to try with your child/children – to help them continue to be Internet Legends, as well as ideas to help manage wellbeing at home.

You can find out more about Be Internet Legends at beinternetlegends.withgoogle.com

If you have any questions or would like any further details please do not hesitate to come and see me.
