The Edmund Rice Prayer

God, we thank you for the life of
Edmund Rice.

He opened his heart to Christ present
in those oppressed by poverty and injustice.

May we follow his example of faith
and generosity.

Grant us the courage of Edmund as we seek
to live lives of love and service.

We ask this through Christ, our Lord,

Amen

Ethos of an Edmund Rice School:

The bond between the 10 schools in England is their commitment to 'The Eight Essentials' drawn from the educational charism of Blessed Edmund Rice.

An Edmund Rice school accepts these principles as its governing philosophy and strives to make them the focus of its life and development.

Our History

We are inspired by the work of Edmund Rice, who, in Ireland at the turn of the 19th century was inspired by the Gospels to actively reach out to the destitute. With a group of friends, Edmund formed a religious congregation that sought to improve the lives of those made poor, via transformational education.

Their successful model of schools and ministries spread around the globe.

Today's Edmund Rice Network is a global movement present in over 30 countries made up of Brothers, schools, organisations, ministries and individuals who are united in the spirit of Edmund. This network includes **YOU!**

From our interconnectedness we draw inspiration and strength.

Global Community:

Join with more than 200,000 students in 30 countries who are educated in Edmund Rice Schools.
