

Runnymede St. Edward's Primary School

Knowledge Organiser: Creation and Covenant

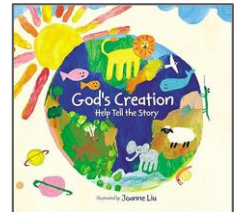

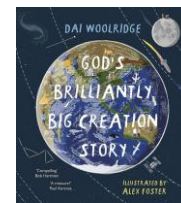

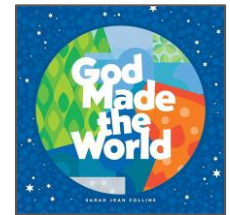

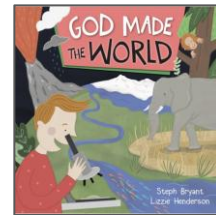

Preschool Autumn 1

Hear - What scripture will we hear? Genesis 1:31

Branch 1

Picture books to enrich the scripture

Vocabulary and phrases introduced in the scripture

"Indeed, it is very good"		Scripture reading
Creation		How the world began
"Thank you, God"		Give thanks for God's wonderful world.
"In the name of the Father and of the Son and of the Holy Spirit"		Celebrate the words and actions of the sign of the cross. Built into our daily prayer routines.
Precious to God		You are loved by God, you are precious, unique. There is no one else like you.
Wonderful		Lovely, delightful, glorious

Ways of Knowing

- Hear about the story of Creation.
- Hear the words and actions of the sign of the cross.
- Believe that God made the wonderful world and God made me.
- Celebrate the words and actions of the sign of the cross.
- Celebrate God's wonderful world.
- Live out God's teachings: Look after me and look after God's world. By our work in Creation, we show our love to God.

Ideas for home learning and enrichment of the scripture

Communication and Language

- Go on a nature walk together. Talk about what you can see, hear and notice in God's wonderful world. Sing familiar nature songs and rhymes along the way, e.g. Incy Wincy Spider or The Animals Went In Two by Two.

Personal, Social and Emotional Development

- Go outdoors and appreciate the awe and wonder of nature. Lie down on the grass and look up at the sky. What feelings and emotions does it stir?

Physical Development

- Use playdough to make something from God's wonderful world – an animal, flower, tree, person or something else you remember from the Creation story.

Literacy

- Retell the creation story in your own words using some of the language from the scripture.

Maths

- Collect some natural treasures such as leaves, sticks or stones. Sort them, subitise them or use them to make a repeating pattern.

Understanding the World

- God made the light and the dark. Investigate different light sources (the sun, torches or lanterns) and create shadows by blocking the light with objects.

Expressive Arts and Design

- Jump in puddles and explore how the water moves. Add food colouring to the puddles and observe the changes. What happens when you add another colour?
